

3rd Expression of Interest for Business Pilots

The EOSC DIH is launching the 3rd Expression of Interest (EoI) for Business Pilots. The goal is to onboard businesses developing innovative solutions and with the help of EOSC technologies and services support them to bring products and services to market quicker. Through this EoI, the DIH will also support industry applicants who want to become service and content providers for the EOSC community.

Applicants to the EoI can select services provided by [EOSC Future](#), [C-SCALE](#), [EGI-ACE](#), [OpenAIRE-Nexus](#), [DICE](#) and [Reliance](#). [See here for the full overview of services being offered.](#)

There are already [several EOSC DIH pilots](#) that are exploiting the [EOSC services](#) to develop innovative solutions (and bringing them to market) in diverse domains such as sports, biomedicine, cybersecurity, and the environment. More information about current pilots and success stories can be found [here](#).

Are you a start-up, spin-off, SME or a large enterprise and are you interested in becoming an EOSC DIH Business Pilot? Go to [the EOSC Future website](#) and fill in the application document.

If you have any questions, please contact business@eosc-dih.eu.

Deadline: The expression of interest phase will run until October 14th 23.59 CEST.

EOSC DIH is part of the EOSC Future project, which receives funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 101017536.
